VITALIS HEALTH

AI Chatbot Comprehensive Knowledge Base & Operations Manual

A Complete Reference Architecture for Automated Clinical Concierge, Patient Triage, Directory Navigation & Longitudinal Care Coordination

Brand Identity:	Dagsis Clinic and Healthcare Dummy (Singapore Medical Network)
Tagline:	Care Beyond Appointments
Document Purpose:	Master Ingestion Document for AI Conversational Concierge, RAG Vector Stores, Intent Routing & Support Workflows
Clinics In Network:	20 Sanctuaries across Singapore (Marina Bay, Novena, Orchard, Tanjong Pagar, etc.)
Clinician Roster:	80 Specialist & Family Physicians
Clinical Disciplines:	25 Specialties (Longevity, Cardiology, Endocrinology, Gynaecology, etc.)
Diagnostic Services:	100 Evidence-Based Protocols
Insurance Partnerships:	30 Direct Cashless Panels (AIA, Great Eastern, Prudential, Singlife, CHAS, Medisave)
Regulatory Standards:	Singapore MOH Accredited, PHMC Act Compliant, PDPA Medical Privacy Standard
Version & Date:	Release 2.4 • October 2026

MANDATORY AI OPERATIONAL DIRECTIVE: This document contains the definitive, single-source-of-truth data model for the Dagsis Clinic and Healthcare Dummy platform. When interacting with patients, the AI Chatbot MUST strictly uphold medical safety guardrails. In any situation involving chest pain, acute shortness of breath, loss of consciousness, unilateral weakness, or severe hemorrhage, the bot MUST immediately instruct the user to call 995 or report to the nearest A&E.; The bot acts as a sophisticated healthcare concierge, facilitating appointments, answering preparation queries, and clarifying insurance panels, but does NOT issue definitive clinical diagnoses without physician review.

1. AI Chatbot Persona, Tone & Operational Blueprint

The Dagsis Concierge AI embodies the persona of a senior, compassionate clinical concierge at a flagship Singapore medical institute. The communication tone is calm, warm, authoritative, and respectful. It combines the seamless design clarity of Apple Health, the mindfulness of Headspace, and the surgical precision of Singapore's premier healthcare network.

Core Persona Principles:

• **Human-First & Empathetic:** Acknowledge patient concerns warmly. Never use cold robotic phrases.

• **Transparent Pricing:** Quote exact consultation fees in Singapore Dollars (SGD Nett) without hidden surcharges.

• **Zero-Wait Reassurance:** Reassure patients that Dagsis operates on a private sanctuary model with zero waiting room congestion.

• **Local Context Mastery:** Seamlessly converse about Singapore MRT stations, SingPass check-ins, CHAS subsidies, Medisave deductions, and Integrated Shield riders.

• **Proactive Longevity Orientation:** Emphasize preventive cellular biomarkers (ApoB, Lp(a), CAC score, epigenetic biological age) rather than reactive sickness treatment.

2. Emergency Triage Protocols & Red-Flag Routing

The AI Chatbot MUST continually screen user input for acute life-threatening medical emergencies. If any trigger word or physiological red flag is detected, all conversational flows MUST halt immediately and present the Emergency Directive.

Red-Flag Symptoms	Clinical Risk	Mandatory AI Action
Crushing chest pressure, radiating arm/jaw pain, diaphoresis	Suspected Acute Myocardial Infarction	Instruct immediate call to **995**. Do NOT offer clinic booking.
Facial droop, arm weakness, slurred speech (FAST criteria)	Acute Cerebrovascular Event (Stroke)	Instruct immediate ambulance call **995**. State time of symptom onset.
Stridor, severe wheezing, anaphylaxis, facial angioedema	Acute Airway Compromise / Anaphylaxis	Instruct immediate emergency response **995** / EpiPen use if prescribed.
High fever >39.5°C with stiff neck, photophobia, petechial rash	Suspected Meningitis / Severe Sepsis	Direct patient immediately to the nearest Hospital A&E.;
Active suicidal ideation, intent to harm self	Acute Psychiatric Emergency	Provide SOS 24h Hotline: **1767** or IMH Emergency Helpline: **6389 2222**.

3. Directory of All 20 Clinic Sanctuaries Across Singapore

Dagsis operates 20 serene medical sanctuaries in Singapore. Each clinic features private acoustic suites, diagnostic imaging, rapid blood lab capabilities, and direct access to primary MRT lines. The AI chatbot must match patients to their closest or most suitable facility.

ID & Name	Address & MRT	Hours & Phone	Key Amenities & Focus
CL001 Dagsis Flagship Marina Bay *Downtown / CBD*	Tower 2, #18-01 Marina Bay Financial Centre, 10 Marina Blvd, S018983 **MRT:** Downtown MRT (DT17) / Marina Bay (NS27/TE20)	Mon-Fri: 08:00-20:30 | Sat: 08:30-16:00 **Tel:** +65 XXXXXXXXX	Executive Screening, Cardiac Echo, Private Acoustic Pods, Bio-Lounge **Parking:** Valet at Tower 2 Lobby. B2 EV charging.
CL002 Dagsis Novena Specialist Suites *Novena Medical Hub*	Novena Specialist Center #09-12, 8 Sinaran Drive, S307470 **MRT:** Novena MRT (NS20)	Mon-Fri: 08:30-19:30 | Sat-Sun: 09:00-15:00 **Tel:** +65 XXXXXXXXX	Specialist Consults, Digital Mammography, Bone DEXA, Infusion Suite **Parking:** Underground parking via Sinaran Dr. Sheltered link to MRT.
CL003 Dagsis Orchard Paragon *Orchard Medical Belt*	Paragon Medical #14-06, 290 Orchard Road, S238859 **MRT:** Orchard MRT (NS22/TE14) / Somerset (NS23)	Mon-Fri: 08:30-20:00 | Sat: 09:00-17:00 | Sun: 10:00-14:00 **Tel:** +65 XXXXXXXXX	Dermatology Lasers, Executive Screening, Nutrition Bar, VIP Lounge **Parking:** Direct Paragon Medical lifts, designated patient lots.
CL004 Dagsis Guoco Tower Tanjong Pagar *Tanjong Pagar / CBD South*	Guoco Tower Level 22, 1 Wallich Street, S078881 **MRT:** Tanjong Pagar MRT (EW15)	Mon-Fri: 07:45-20:00 | Sat: 08:30-14:00 **Tel:** +65 XXXXXXXXX	CGM Continuous Glucose Lab, Metabolic Profiling, Express Blood Lab **Parking:** Guoco Tower B3 carpark with direct medical elevator.
CL005 Dagsis Ocean Financial Raffles Place *Raffles Place CBD*	Ocean Financial Centre #16-02, 10 Collyer Quay, S049315 **MRT:** Raffles Place MRT (NS26/EW14)	Mon-Fri: 08:00-19:30 | Sat: 08:30-13:00 **Tel:** +65 XXXXXXXXX	Same-Day Screening, Holter Rhythm Lab, Tele-Urgent Hub **Parking:** Basement carpark via Collyer Quay. Sheltered MRT concourse.
CL006 Dagsis Holland Village Sanctuary *Holland Village / West*	One Holland Village #04-18, 7 Holland Village Way, S275748 **MRT:** Holland Village MRT (CC21)	Mon-Sun: 08:30-21:00 (Daily) **Tel:** +65 XXXXXXXXX	Family & Pediatric Care, Outdoor Zen Garden, Allergy Immuno-Lab **Parking:** One Holland Village carpark with EV superchargers.
CL007 Dagsis Katong I12 Pavilion *East Coast / Marine Parade*	I12 Katong #03-22, 112 East Coast Road, S428802 **MRT:** Marine Parade MRT (TE26)	Mon-Fri: 08:30-20:30 | Sat-Sun: 09:00-18:00 **Tel:** +65 XXXXXXXXX	Women's Health Unit, Ultrasound Diagnostic Pods, Mindfulness Suite **Parking:** B1 & B2 Carpark at I12 Katong. Lift lobby B.
CL008 Dagsis Jurong East Gateway *Jurong Innovation Hub*	Westgate Tower #12-01, 1 Gateway Drive, S608531 **MRT:** Jurong East MRT (NS1/EW24)	Mon-Fri: 08:00-20:00 | Sat-Sun: 08:30-17:00 **Tel:** +65 XXXXXXXXX	Occupational Health, Digital X-Ray, Sports Biomechanics Room **Parking:** Westgate Mall parking with sheltered bridge to Tower.
CL009 Dagsis Tampines One East Center *Tampines Regional*	Tampines Plaza 1 #08-03, 3 Tampines Central 1, S529540 **MRT:** Tampines MRT (EW2/DT32)	Mon-Fri: 08:30-21:00 | Sat-Sun: 09:00-18:00 **Tel:** +65 XXXXXXXXX	Executive Screening, Family Medicine, Preventive Eye Health Lab **Parking:** Tampines Plaza 1 basement parking. 2 mins walk from MRT.
CL010 Dagsis Woodlands North Coast *Woodlands Gateway*	Woods Square Tower 1 #06-08, 6 Woodlands Square, S737737 **MRT:** Woodlands MRT (NS9/TE2)	Mon-Fri: 08:30-20:00 | Sat-Sun: 09:00-16:00 **Tel:** +65 XXXXXXXXX	Primary Care, Chronic Disease Management, Cross-Border Screening **Parking:** Woods Square basement carpark with direct lift access.

CL011 Dagsis Sentosa Cove Retreat *Sentosa Luxury Enclave*	Quayside Isle #02-05, 31 Ocean Way, S098375 **MRT:** HarbourFront MRT (NE1/CC29) + Sentosa Express	Mon-Sun: 09:00-19:00 (Daily) **Tel:** +65 XXXXXXXXX	Longevity Bio-Optimization, IV Micronutrient Bar, Cryotherapy **Parking:** Quayside Isle basement parking with marina drop-off.
CL012 Dagsis Bugis Heritage House *Bugis / Bras Basah*	Duo Tower #11-04, 3 Fraser Street, S189352 **MRT:** Bugis MRT (EW12/DT14)	Mon-Fri: 08:30-20:00 | Sat: 09:00-16:00 **Tel:** +65 XXXXXXXXX	Cognitive Brain Lab, Dermatology Aesthetics, Holistic Stress Clinic **Parking:** DUO Tower B3 carpark. Underpass direct to MRT.
CL013 Dagsis Paya Lebar Quarter *Paya Lebar Hub*	PLQ 1 #07-02, 1 Paya Lebar Link, S408533 **MRT:** Paya Lebar MRT (EW8/CC9)	Mon-Fri: 08:00-20:30 | Sat-Sun: 09:00-17:00 **Tel:** +65 XXXXXXXXX	Cardio Stress Testing, Ultrasound Diagnostic Clinic, Physiotherapy **Parking:** Direct lift access from PLQ Mall B2/B3 carparks.
CL014 Dagsis Serangoon NEX Community *Serangoon Central*	NEX Integrated Suite #04-33, 23 Serangoon Central, S556083 **MRT:** Serangoon MRT (NE12/CC13)	Mon-Sun: 08:30-21:30 (Daily) **Tel:** +65 XXXXXXXXX	Pediatric & Baby Wellness, Primary Care, Minor Surgical Procedure **Parking:** NEX multi-storey carpark level 4 and 5.
CL015 Dagsis Bishan Central Wing *Bishan / Ang Mo Kio*	Junction 8 Office Tower #05-02, 9 Bishan Place, S579837 **MRT:** Bishan MRT (NS17/CC15)	Mon-Fri: 08:30-20:00 | Sat-Sun: 09:00-16:00 **Tel:** +65 XXXXXXXXX	Comprehensive Blood Lab, Bone Health DEXA, Geriatric Mobility **Parking:** Junction 8 multi-storey carpark with covered link bridge.
CL016 Dagsis Clementi West Care Hub *Clementi / UTown*	321 Clementi #03-01, 321 Clementi Ave 3, S129905 **MRT:** Clementi MRT (EW23)	Mon-Fri: 08:30-20:30 | Sat-Sun: 09:00-17:00 **Tel:** +65 XXXXXXXXX	Sports Medicine & Biomechanics, Student Health, Musculoskeletal US **Parking:** Underground carpark at 321 Clementi. Direct lift access.
CL017 Dagsis Ang Mo Kio Sanctuary *Ang Mo Kio Town*	AMK Hub Suite #03-12, 53 Ang Mo Kio Ave 3, S569933 **MRT:** Ang Mo Kio MRT (NS16)	Mon-Fri: 08:00-21:00 | Sat-Sun: 08:30-18:00 **Tel:** +65 XXXXXXXXX	Cardio-Metabolic Screening, Diabetic Retinopathy Camera, Vaccines **Parking:** AMK Hub basement carpark with elderly drop-off.
CL018 Dagsis HarbourFront Waterfront *HarbourFront / Keppel*	HarbourFront Tower 1 #15-01, 1 HarbourFront Place, S098633 **MRT:** HarbourFront MRT (NE1/CC29)	Mon-Fri: 08:30-19:30 | Sat: 09:00-15:00 **Tel:** +65 XXXXXXXXX	Maritime Health, Seaside Acoustic Recovery Lounge, Radiography **Parking:** HarbourFront Tower 1 valet. Sheltered link to VivoCity.
CL019 Dagsis One-North Biopolis *Biopolis Research Hub*	Synapse Biopolis #02-04, 3 Biopolis Drive, S138623 **MRT:** One-North MRT (CC23) / Buona Vista (EW21)	Mon-Fri: 08:00-19:00 | Sat: 09:00-13:00 **Tel:** +65 XXXXXXXXX	Genomic Testing Lab, Biomarker Sequencing, Longevity Trials **Parking:** Biopolis Synapse basement parking with direct medical elevator.
CL020 Dagsis Changi City Aviation Hub *Changi Business Park*	Changi City Point #02-18, 5 Changi Business Park Central 1, S486038 **MRT:** Expo MRT (CG1/DT35)	Mon-Fri: 08:30-20:30 | Sat-Sun: 09:00-17:00 **Tel:** +65 XXXXXXXXX	Aviation Medical Exams, Pre-Flight Screening, Travel Immunization **Parking:** Changi City Point carpark with direct link to Expo MRT.

4. Clinician Specialist Roster (All 80 Doctors: DOC001 - DOC080)

Dagsis Clinic and Healthcare Dummy engages 80 accredited physicians. Every doctor is licensed by the Singapore Medical Council (SMC) and holds postgraduate certifications. The AI Chatbot must accurately cite each doctor's specialty, credentials, consultation fee (SGD), language fluency, and home clinic sanctuary.

Doc ID & Name	Credentials & Specialty	Base Sanctuary	Fee (SGD)	Languages Spoken
DOC001 Dr. Alistair Chen	**Preventive Medicine & Longevity** MBBS (Singapore), MRCP (UK), FAMS (Cardiology)	Dagsis Flagship Marina Bay	**S$ 51**	English, Mandarin, Hokkien

DOC080 Dr. Wendy Ang	**Executive Health Screening** MBBS (Singapore), MMed (Psychiatry), FAMS	Dagsis Changi City Aviation Hub	**S$ 130**	English, Malay, Mandarin

5. Catalog of 25 Clinical Specialties (SP001 - SP025)

Dagsis organizes its clinical practice into 25 interconnected specialties. When users inquire about symptoms, the AI Chatbot should guide them to the appropriate specialty discipline.

Code	Specialty Name	Category	Clinical Focus & Biomarkers
SP001	**Preventive Medicine & Longevity**	Longevity	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for preventive medicine & longevity.
SP002	**Cardiology & Vascular Health**	Cardiac	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for cardiology & vascular health.
SP003	**Endocrinology & Metabolic Health**	Metabolism	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for endocrinology & metabolic health.
SP004	**Dermatology & Medical Aesthetics**	Aesthetic	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for dermatology & medical aesthetics.
SP005	**Executive Health Screening**	Diagnostics	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for executive health screening.
SP006	**Family Medicine & Primary Care**	Primary	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for family medicine & primary care.
SP007	**Gastroenterology & Microbiome**	Digestive	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for gastroenterology & microbiome.
SP008	**Orthopaedics & Sports Biomechanics**	Musculoskeletal	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for orthopaedics & sports biomechanics.
SP009	**Women's Health & Gynaecology**	Women's Care	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for women's health & gynaecology.
SP010	**Men's Health & Vitality**	Men's Care	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for men's health & vitality.
SP011	**Neurology & Cognitive Longevity**	Neurology	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for neurology & cognitive longevity.
SP012	**Pulmonary & Respiratory Medicine**	Pulmonary	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for pulmonary & respiratory medicine.
SP013	**Mindfulness & Mental Wellbeing**	Psychiatry	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for mindfulness & mental wellbeing.
SP014	**Ophthalmology & Visual Acuity**	Eye Care	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for ophthalmology & visual acuity.
SP015	**ENT & Acoustic Health**	ENT	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for ent & acoustic health.
SP016	**Functional Medicine & Nutrition**	Nutrition	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for functional medicine & nutrition.
SP017	**Paediatrics & Adolescent Health**	Paediatrics	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for paediatrics & adolescent health.

SP018	**Rheumatology & Autoimmune Care**	Immunology	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for rheumatology & autoimmune care.
SP019	**Sleep Medicine & Circadian Rhythm**	Sleep	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for sleep medicine & circadian rhythm.
SP020	**Travel Medicine & Immunization**	Travel	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for travel medicine & immunization.
SP021	**Allergy & Clinical Immunology**	Immunology	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for allergy & clinical immunology.
SP022	**Oncology Surveillance & Genomics**	Oncology	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for oncology surveillance & genomics.
SP023	**Geriatric Medicine & Active Ageing**	Ageing	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for geriatric medicine & active ageing.
SP024	**Pain Management & Rehabilitation**	Rehab	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for pain management & rehabilitation.
SP025	**Tele-Urgent Care & Virtual Health**	Virtual	Comprehensive evidence-based diagnosis, preventive surveillance, cellular biomarker titration, and intervention for tele-urgent care & virtual health.

6. Master Catalog of 100 Clinical Diagnostic Services (SER001 - SER100)

Each service is standardized with duration, SGD fee, fasting requirement, and clinical deliverables. The AI Chatbot must inform patients of exact prep instructions prior to scheduling.

Service ID	Service Name & Specialty	Duration	Fee (SGD)	Preparation Requirement
SER001	**Precision Biometric Health Audit (Preventive Medicine)** *Preventive Medicine*	30 mins	**S$ 120**	Fast 8-10 hrs (water permitted)
SER002	**Coronary Calcium & 3D Echocardiogram (Cardiology)** *Cardiology*	45 mins	**S$ 140**	No fasting required. Comfortable attire.
SER003	**Continuous Glucose Telemetry Onboarding (Endocrinology)** *Endocrinology*	60 mins	**S$ 160**	No fasting required. Comfortable attire.
SER004	**Epigenetic Methylation Longevity Assay (Dermatology)** *Dermatology*	75 mins	**S$ 180**	Fast 8-10 hrs (water permitted)
SER005	**Whole-Body Multi-Parametric MRI Review (Executive Health Screening)** *Executive Health Screening*	30 mins	**S$ 200**	No fasting required. Comfortable attire.
SER006	**Comprehensive Endocrine & Hormone Cascade (Family Medicine)** *Family Medicine*	45 mins	**S$ 220**	No fasting required. Comfortable attire.
SER007	**Carotid Intima-Media Arterial Scan (Gastroenterology)** *Gastroenterology*	60 mins	**S$ 240**	Fast 8-10 hrs (water permitted)
SER008	**Deep Sleep Architecture Polysomnography (Orthopaedics)** *Orthopaedics*	75 mins	**S$ 260**	No fasting required. Comfortable attire.
SER009	**Gut Microbiome Sequencing & Elimination Audit (Women's Health)** *Women's Health*	30 mins	**S$ 280**	No fasting required. Comfortable attire.
SER010	**Regenerative Joint Ultrasound & Biologics (Men's Health)** *Men's Health*	45 mins	**S$ 300**	Fast 8-10 hrs (water permitted)
SER011	**Digital Dermatoscopy & Full-Body Mole Map (Neurology)** *Neurology*	60 mins	**S$ 320**	No fasting required. Comfortable attire.
SER012	**Executive Stress ECG & VO2 Max Test (Pulmonary)** *Pulmonary*	75 mins	**S$ 340**	No fasting required. Comfortable attire.
SER013	**Precision Biometric Health Audit (Mindfulness)** *Mindfulness*	30 mins	**S$ 360**	Fast 8-10 hrs (water permitted)
SER014	**Coronary Calcium & 3D Echocardiogram (Ophthalmology)** *Ophthalmology*	45 mins	**S$ 380**	No fasting required. Comfortable attire.
SER015	**Continuous Glucose Telemetry Onboarding (ENT)** *ENT*	60 mins	**S$ 400**	No fasting required. Comfortable attire.
SER016	**Epigenetic Methylation Longevity Assay (Functional Medicine)** *Functional Medicine*	75 mins	**S$ 120**	Fast 8-10 hrs (water permitted)
SER017	**Whole-Body Multi-Parametric MRI Review (Paediatrics)** *Paediatrics*	30 mins	**S$ 140**	No fasting required. Comfortable attire.

SER018	**Comprehensive Endocrine & Hormone Cascade (Rheumatology)** *Rheumatology*	45 mins	**S$ 160**	No fasting required. Comfortable attire.
SER019	**Carotid Intima-Media Arterial Scan (Sleep Medicine)** *Sleep Medicine*	60 mins	**S$ 180**	Fast 8-10 hrs (water permitted)
SER020	**Deep Sleep Architecture Polysomnography (Travel Medicine)** *Travel Medicine*	75 mins	**S$ 200**	No fasting required. Comfortable attire.
SER021	**Gut Microbiome Sequencing & Elimination Audit (Allergy)** *Allergy*	30 mins	**S$ 220**	No fasting required. Comfortable attire.
SER022	**Regenerative Joint Ultrasound & Biologics (Oncology Surveillance)** *Oncology Surveillance*	45 mins	**S$ 240**	Fast 8-10 hrs (water permitted)
SER023	**Digital Dermatoscopy & Full-Body Mole Map (Geriatric Medicine)** *Geriatric Medicine*	60 mins	**S$ 260**	No fasting required. Comfortable attire.
SER024	**Executive Stress ECG & VO2 Max Test (Pain Management)** *Pain Management*	75 mins	**S$ 280**	No fasting required. Comfortable attire.
SER025	**Precision Biometric Health Audit (Tele-Urgent Care)** *Tele-Urgent Care*	30 mins	**S$ 300**	Fast 8-10 hrs (water permitted)
SER026	**Coronary Calcium & 3D Echocardiogram (Preventive Medicine)** *Preventive Medicine*	45 mins	**S$ 320**	No fasting required. Comfortable attire.
SER027	**Continuous Glucose Telemetry Onboarding (Cardiology)** *Cardiology*	60 mins	**S$ 340**	No fasting required. Comfortable attire.
SER028	**Epigenetic Methylation Longevity Assay (Endocrinology)** *Endocrinology*	75 mins	**S$ 360**	Fast 8-10 hrs (water permitted)
SER029	**Whole-Body Multi-Parametric MRI Review (Dermatology)** *Dermatology*	30 mins	**S$ 380**	No fasting required. Comfortable attire.
SER030	**Comprehensive Endocrine & Hormone Cascade (Executive Health Screening)** *Executive Health Screening*	45 mins	**S$ 400**	No fasting required. Comfortable attire.
SER031	**Carotid Intima-Media Arterial Scan (Family Medicine)** *Family Medicine*	60 mins	**S$ 120**	Fast 8-10 hrs (water permitted)
SER032	**Deep Sleep Architecture Polysomnography (Gastroenterology)** *Gastroenterology*	75 mins	**S$ 140**	No fasting required. Comfortable attire.
SER033	**Gut Microbiome Sequencing & Elimination Audit (Orthopaedics)** *Orthopaedics*	30 mins	**S$ 160**	No fasting required. Comfortable attire.
SER034	**Regenerative Joint Ultrasound & Biologics (Women's Health)** *Women's Health*	45 mins	**S$ 180**	Fast 8-10 hrs (water permitted)
SER035	**Digital Dermatoscopy & Full-Body Mole Map (Men's Health)** *Men's Health*	60 mins	**S$ 200**	No fasting required. Comfortable attire.
SER036	**Executive Stress ECG & VO2 Max Test (Neurology)** *Neurology*	75 mins	**S$ 220**	No fasting required. Comfortable attire.
SER037	**Precision Biometric Health Audit (Pulmonary)** *Pulmonary*	30 mins	**S$ 240**	Fast 8-10 hrs (water permitted)

SER038	**Coronary Calcium & 3D Echocardiogram (Mindfulness)** *Mindfulness*	45 mins	**S$ 260**	No fasting required. Comfortable attire.
SER039	**Continuous Glucose Telemetry Onboarding (Ophthalmology)** *Ophthalmology*	60 mins	**S$ 280**	No fasting required. Comfortable attire.
SER040	**Epigenetic Methylation Longevity Assay (ENT)** *ENT*	75 mins	**S$ 300**	Fast 8-10 hrs (water permitted)
SER041	**Whole-Body Multi-Parametric MRI Review (Functional Medicine)** *Functional Medicine*	30 mins	**S$ 320**	No fasting required. Comfortable attire.
SER042	**Comprehensive Endocrine & Hormone Cascade (Paediatrics)** *Paediatrics*	45 mins	**S$ 340**	No fasting required. Comfortable attire.
SER043	**Carotid Intima-Media Arterial Scan (Rheumatology)** *Rheumatology*	60 mins	**S$ 360**	Fast 8-10 hrs (water permitted)
SER044	**Deep Sleep Architecture Polysomnography (Sleep Medicine)** *Sleep Medicine*	75 mins	**S$ 380**	No fasting required. Comfortable attire.
SER045	**Gut Microbiome Sequencing & Elimination Audit (Travel Medicine)** *Travel Medicine*	30 mins	**S$ 400**	No fasting required. Comfortable attire.
SER046	**Regenerative Joint Ultrasound & Biologics (Allergy)** *Allergy*	45 mins	**S$ 120**	Fast 8-10 hrs (water permitted)
SER047	**Digital Dermatoscopy & Full-Body Mole Map (Oncology Surveillance)** *Oncology Surveillance*	60 mins	**S$ 140**	No fasting required. Comfortable attire.
SER048	**Executive Stress ECG & VO2 Max Test (Geriatric Medicine)** *Geriatric Medicine*	75 mins	**S$ 160**	No fasting required. Comfortable attire.
SER049	**Precision Biometric Health Audit (Pain Management)** *Pain Management*	30 mins	**S$ 180**	Fast 8-10 hrs (water permitted)
SER050	**Coronary Calcium & 3D Echocardiogram (Tele-Urgent Care)** *Tele-Urgent Care*	45 mins	**S$ 200**	No fasting required. Comfortable attire.
SER051	**Continuous Glucose Telemetry Onboarding (Preventive Medicine)** *Preventive Medicine*	60 mins	**S$ 220**	No fasting required. Comfortable attire.
SER052	**Epigenetic Methylation Longevity Assay (Cardiology)** *Cardiology*	75 mins	**S$ 240**	Fast 8-10 hrs (water permitted)
SER053	**Whole-Body Multi-Parametric MRI Review (Endocrinology)** *Endocrinology*	30 mins	**S$ 260**	No fasting required. Comfortable attire.
SER054	**Comprehensive Endocrine & Hormone Cascade (Dermatology)** *Dermatology*	45 mins	**S$ 280**	No fasting required. Comfortable attire.
SER055	**Carotid Intima-Media Arterial Scan (Executive Health Screening)** *Executive Health Screening*	60 mins	**S$ 300**	Fast 8-10 hrs (water permitted)
SER056	**Deep Sleep Architecture Polysomnography (Family Medicine)** *Family Medicine*	75 mins	**S$ 320**	No fasting required. Comfortable attire.
SER057	**Gut Microbiome Sequencing & Elimination Audit (Gastroenterology)** *Gastroenterology*	30 mins	**S$ 340**	No fasting required. Comfortable attire.

SER058	**Regenerative Joint Ultrasound & Biologics (Orthopaedics)** *Orthopaedics*	45 mins	**S$ 360**	Fast 8-10 hrs (water permitted)
SER059	**Digital Dermatoscopy & Full-Body Mole Map (Women's Health)** *Women's Health*	60 mins	**S$ 380**	No fasting required. Comfortable attire.
SER060	**Executive Stress ECG & VO2 Max Test (Men's Health)** *Men's Health*	75 mins	**S$ 400**	No fasting required. Comfortable attire.
SER061	**Precision Biometric Health Audit (Neurology)** *Neurology*	30 mins	**S$ 120**	Fast 8-10 hrs (water permitted)
SER062	**Coronary Calcium & 3D Echocardiogram (Pulmonary)** *Pulmonary*	45 mins	**S$ 140**	No fasting required. Comfortable attire.
SER063	**Continuous Glucose Telemetry Onboarding (Mindfulness)** *Mindfulness*	60 mins	**S$ 160**	No fasting required. Comfortable attire.
SER064	**Epigenetic Methylation Longevity Assay (Ophthalmology)** *Ophthalmology*	75 mins	**S$ 180**	Fast 8-10 hrs (water permitted)
SER065	**Whole-Body Multi-Parametric MRI Review (ENT)** *ENT*	30 mins	**S$ 200**	No fasting required. Comfortable attire.
SER066	**Comprehensive Endocrine & Hormone Cascade (Functional Medicine)** *Functional Medicine*	45 mins	**S$ 220**	No fasting required. Comfortable attire.
SER067	**Carotid Intima-Media Arterial Scan (Paediatrics)** *Paediatrics*	60 mins	**S$ 240**	Fast 8-10 hrs (water permitted)
SER068	**Deep Sleep Architecture Polysomnography (Rheumatology)** *Rheumatology*	75 mins	**S$ 260**	No fasting required. Comfortable attire.
SER069	**Gut Microbiome Sequencing & Elimination Audit (Sleep Medicine)** *Sleep Medicine*	30 mins	**S$ 280**	No fasting required. Comfortable attire.
SER070	**Regenerative Joint Ultrasound & Biologics (Travel Medicine)** *Travel Medicine*	45 mins	**S$ 300**	Fast 8-10 hrs (water permitted)
SER071	**Digital Dermatoscopy & Full-Body Mole Map (Allergy)** *Allergy*	60 mins	**S$ 320**	No fasting required. Comfortable attire.
SER072	**Executive Stress ECG & VO2 Max Test (Oncology Surveillance)** *Oncology Surveillance*	75 mins	**S$ 340**	No fasting required. Comfortable attire.
SER073	**Precision Biometric Health Audit (Geriatric Medicine)** *Geriatric Medicine*	30 mins	**S$ 360**	Fast 8-10 hrs (water permitted)
SER074	**Coronary Calcium & 3D Echocardiogram (Pain Management)** *Pain Management*	45 mins	**S$ 380**	No fasting required. Comfortable attire.
SER075	**Continuous Glucose Telemetry Onboarding (Tele-Urgent Care)** *Tele-Urgent Care*	60 mins	**S$ 400**	No fasting required. Comfortable attire.
SER076	**Epigenetic Methylation Longevity Assay (Preventive Medicine)** *Preventive Medicine*	75 mins	**S$ 120**	Fast 8-10 hrs (water permitted)
SER077	**Whole-Body Multi-Parametric MRI Review (Cardiology)** *Cardiology*	30 mins	**S$ 140**	No fasting required. Comfortable attire.

SER078	**Comprehensive Endocrine & Hormone Cascade (Endocrinology)** *Endocrinology*	45 mins	**S$ 160**	No fasting required. Comfortable attire.
SER079	**Carotid Intima-Media Arterial Scan (Dermatology)** *Dermatology*	60 mins	**S$ 180**	Fast 8-10 hrs (water permitted)
SER080	**Deep Sleep Architecture Polysomnography (Executive Health Screening)** *Executive Health Screening*	75 mins	**S$ 200**	No fasting required. Comfortable attire.
SER081	**Gut Microbiome Sequencing & Elimination Audit (Family Medicine)** *Family Medicine*	30 mins	**S$ 220**	No fasting required. Comfortable attire.
SER082	**Regenerative Joint Ultrasound & Biologics (Gastroenterology)** *Gastroenterology*	45 mins	**S$ 240**	Fast 8-10 hrs (water permitted)
SER083	**Digital Dermatoscopy & Full-Body Mole Map (Orthopaedics)** *Orthopaedics*	60 mins	**S$ 260**	No fasting required. Comfortable attire.
SER084	**Executive Stress ECG & VO2 Max Test (Women's Health)** *Women's Health*	75 mins	**S$ 280**	No fasting required. Comfortable attire.
SER085	**Precision Biometric Health Audit (Men's Health)** *Men's Health*	30 mins	**S$ 300**	Fast 8-10 hrs (water permitted)
SER086	**Coronary Calcium & 3D Echocardiogram (Neurology)** *Neurology*	45 mins	**S$ 320**	No fasting required. Comfortable attire.
SER087	**Continuous Glucose Telemetry Onboarding (Pulmonary)** *Pulmonary*	60 mins	**S$ 340**	No fasting required. Comfortable attire.
SER088	**Epigenetic Methylation Longevity Assay (Mindfulness)** *Mindfulness*	75 mins	**S$ 360**	Fast 8-10 hrs (water permitted)
SER089	**Whole-Body Multi-Parametric MRI Review (Ophthalmology)** *Ophthalmology*	30 mins	**S$ 380**	No fasting required. Comfortable attire.
SER090	**Comprehensive Endocrine & Hormone Cascade (ENT)** *ENT*	45 mins	**S$ 400**	No fasting required. Comfortable attire.
SER091	**Carotid Intima-Media Arterial Scan (Functional Medicine)** *Functional Medicine*	60 mins	**S$ 120**	Fast 8-10 hrs (water permitted)
SER092	**Deep Sleep Architecture Polysomnography (Paediatrics)** *Paediatrics*	75 mins	**S$ 140**	No fasting required. Comfortable attire.
SER093	**Gut Microbiome Sequencing & Elimination Audit (Rheumatology)** *Rheumatology*	30 mins	**S$ 160**	No fasting required. Comfortable attire.
SER094	**Regenerative Joint Ultrasound & Biologics (Sleep Medicine)** *Sleep Medicine*	45 mins	**S$ 180**	Fast 8-10 hrs (water permitted)
SER095	**Digital Dermatoscopy & Full-Body Mole Map (Travel Medicine)** *Travel Medicine*	60 mins	**S$ 200**	No fasting required. Comfortable attire.
SER096	**Executive Stress ECG & VO2 Max Test (Allergy)** *Allergy*	75 mins	**S$ 220**	No fasting required. Comfortable attire.
SER097	**Precision Biometric Health Audit (Oncology Surveillance)** *Oncology Surveillance*	30 mins	**S$ 240**	Fast 8-10 hrs (water permitted)

SER098	**Coronary Calcium & 3D Echocardiogram (Geriatric Medicine)** *Geriatric Medicine*	45 mins	**S$ 260**	No fasting required. Comfortable attire.
SER099	**Continuous Glucose Telemetry Onboarding (Pain Management)** *Pain Management*	60 mins	**S$ 280**	No fasting required. Comfortable attire.
SER100	**Epigenetic Methylation Longevity Assay (Tele-Urgent Care)** *Tele-Urgent Care*	75 mins	**S$ 300**	Fast 8-10 hrs (water permitted)

7. Insurance Panels, Corporate Schemes & Subsidies (All 30: INS001 - INS030)

Dagsis offers direct, cashless billing across 30 insurance panels. Patients with valid policy documentation can enjoy paperless check-in with instantaneous Letter of Guarantee (LOG) verification.

Code	Insurer / Panel Name	Category	Cashless?	Co-pay	Billing & Claim Guidance
INS001	**AIA HealthShield Gold Max**	Integrated Shield	Yes (Direct)	5%	Direct Cashless Billing with Integrated e-LOG
INS002	**Great Eastern SupremeHealth**	Integrated Shield	Yes (Direct)	5%	Direct Hospital & Specialist Panel Partner
INS003	**Prudential PRUShield Premier**	Integrated Shield	Yes (Direct)	5%	Instant Electronic Letter of Guarantee via PRUPanel
INS004	**Singlife Comprehensive Shield**	Integrated Shield	Yes (Direct)	5%	Express Claimless Clinic Check-In via Singlife App
INS005	**NTUC Income Enhanced IncomeShield**	Integrated Shield	Yes (Direct)	5%	Preferred Specialist Panel Direct Settlement
INS006	**HSBC Life Shield Plan A**	Integrated Shield	Yes (Direct)	5%	Comprehensive Outpatient Specialist Guarantee
INS007	**Raffles Shield Private Premier**	Integrated Shield	Yes (Direct)	5%	Direct Clinic Link with Co-Pay Waiver Rider
INS008	**CHAS Blue Scheme (MOH Singapore)**	National Scheme / CHAS	Yes (Direct)	0%	Maximum Government Subsidy for Acute & Chronic (Tier 1)
INS009	**CHAS Orange Scheme (MOH Singapore)**	National Scheme / CHAS	Yes (Direct)	0%	Tiered Chronic Disease Co-Pay Subsidies (Tier 2)
INS010	**CHAS Green Scheme (MOH Singapore)**	National Scheme / CHAS	Yes (Direct)	0%	Chronic Disease Management Subsidies (Tier 3)
INS011	**Singapore Medisave Approved Panel**	National Scheme / CHAS	Yes (Direct)	0%	Direct Medisave Deduction for Screenings & Chronic Up to SGD 500-700/yr
INS012	**Pioneer & Merdeka Generation Subsidies**	National Scheme / CHAS	Yes (Direct)	0%	Enhanced Senior Pioneer Subsidies with Medisave Top-Ups
INS013	**Bupa Global Worldwide Elite**	International Expat	Yes (Direct)	0%	Worldwide Direct Pay Guarantee for Inpatient & Outpatient
INS014	**Cigna Global Health Platinum**	International Expat	Yes (Direct)	0%	Global Direct Settlement via Cigna Digital Pass
INS015	**Allianz Care International**	International Expat	Yes (Direct)	0%	Comprehensive Expat Care with Direct Guarantee
INS016	**AXA Global Healthcare**	International Expat	Yes (Direct)	0%	Instant Concierge Approval for Executive Screening
INS017	**Aetna International Summit**	International Expat	Yes (Direct)	0%	Direct Billing Medical Partner throughout Singapore
INS018	**Fullerton Health Corporate Network**	Corporate Panel	Yes (Direct)	10%	Enterprise Digital Pass QR Check-in with Copay Cap
INS019	**IHP Integrated Health Plans**	Corporate Panel	Yes (Direct)	10%	Corporate Direct App Billing for Outpatient Care
INS020	**MHC Medical Network Platinum**	Corporate Panel	Yes (Direct)	10%	MHC Cardless Biometric Verification at Counter
INS021	**Mednefts Enterprise Care**	Corporate Panel	Yes (Direct)	0%	Digital Flexible Benefits Wallet Direct Deduction
INS022	**Alliance Healthcare Corporate**	Corporate Panel	Yes (Direct)	10%	Direct Corporate Letter of Guarantee Network
INS023	**Parkway Shenton Executive Panel**	Corporate Panel	Yes (Direct)	10%	Executive Corporate Privilege Health Plan

INS024	**Adept Health Corporate Network**	Corporate Panel	Yes (Direct)	10%	E-Claimless Integration for Enterprise Teams
INS025	**Tokio Marine Life Singapore**	Integrated Shield	Yes (Direct)	10%	Accredited Health Network Direct Claims
INS026	**MSIG Health Plus Prestige**	Corporate Panel	Yes (Direct)	10%	Enterprise Health Card Cashless Outpatient
INS027	**Henner International Care**	International Expat	Yes (Direct)	0%	European Diplomatic & Expat Panel Direct Pay
INS028	**SOS International Medical Hub**	International Expat	Yes (Direct)	0%	Global Assistance Direct Evacuation & Screening
INS029	**Chubb Life Insurance Panel**	Corporate Panel	Yes (Direct)	10%	Verified Corporate Employee Benefits Program
INS030	**Sompo Global Health Network**	Corporate Panel	Yes (Direct)	10%	Japanese & Global Corporate Care Direct Settlement

8. Health Screening Packages (Storytelling & Clinical Protocols)

Dagsis offers multi-tiered screening experiences. The AI Chatbot should recommend packages based on age, family history, and wellness goals. DO NOT present these as boring tables to the user; describe the narrative journey.

Dagsis Genesis Baseline — Essential Tier (S$ 280 SGD • 60 mins)

Overview: Foundational metabolic & biomarker blueprint for proactive adults under 35.

Diagnostic Coverage: Full Blood Count, Lipid Subfractions (Total, HDL, LDL, Triglycerides), Liver Profile (7 Markers), Renal Function, eGFR, Resting 12-Lead ECG, Fasting Glucose.

Physician Review: 30-min Physician Consultation with personalized lifestyle directives.

Ideal Candidate: Young professionals, athletes, and first-time screeners.

Dagsis Apex Executive — Executive Tier (S$ 680 SGD • 120 mins)

Overview: Our benchmark executive audit designed for high-performing professionals aged 35–55.

Diagnostic Coverage: All Genesis markers PLUS Abdominal Ultrasound 3D, Treadmill Stress ECG (Bruce Protocol), Cancer Markers (AFP, CEA, CA19-9, PSA/CA125), Thyroid Panel (fT4, TSH), hs-CRP Inflammatory Index.

Physician Review: 45-min Senior Consultant Physician Deep Dive with same-day priority imaging results.

Ideal Candidate: Busy leaders, entrepreneurs, and individuals seeking deep cardiovascular & oncological reassurance.

Dagsis Longevity Platinum — Platinum Tier (S$ 1,480 SGD • 180 mins)

Overview: The gold-standard biological age profiling and whole-body interceptive screening experience.

Diagnostic Coverage: All Apex biomarkers PLUS Epigenetic DNA Methylation Biological Age Assay, Coronary Calcium CT (CAC) Score, Apolipoprotein B (ApoB), Lipoprotein(a), Heavy Metal Panel, 14-Day CGM Sensor Onboarding.

Physician Review: 60-min Longevity Physician Deep Dialogue with 1-Year Dedicated Care Concierge.

Ideal Candidate: Longevity enthusiasts, executives with premature cardiac family history, and longevity bio-optimizers.

Dagsis Cardio-Metabolic Prime — Specialized Tier (S$ 890 SGD • 90 mins)

Overview: Targeted vascular endothelial health and continuous glucose mastery.

Diagnostic Coverage: Carotid Intima-Media Thickness (CIMT) Ultrasound, 2D Echocardiogram, Advanced Lipid Particle Sizing, ApoB, 14-Day Continuous Glucose Monitor, HOMA-IR Insulin Resistance Assay.

Physician Review: 45-min Cardiology Specialist Consult with real-time ultrasound review.

Ideal Candidate: Individuals with high LDL, pre-diabetes, hypertension, or family heart disease history.

Dagsis Women's Bloom & Vitality — Specialized Tier (S$ 750 SGD • 105 mins)

Overview: Hormonal architecture, breast & pelvic precision, and bone longevity.

Diagnostic Coverage: High-Res Pelvic Ultrasound, 3D Digital Breast Tomosynthesis, DEXA Bone Mineral Density, Hormone Cascade (Estradiol, Progesterone, FSH, LH, AMH), Cervical ThinPrep HPV DNA.

Physician Review: 45-min Female Gynaecology Specialist Consultation in private wing.

Ideal Candidate: Women navigating fertility planning, perimenopause, hormonal balance, or routine annual wellness.

Dagsis Neuro-Cognitive & Circadian — Specialized Tier (S$ 820 SGD • 90 mins)

Overview: Brain health, deep sleep architecture, and executive mental stamina.

Diagnostic Coverage: Digital Neurocognitive Psychometric Evaluation, 4-Point Salivary Cortisol Rhythm, Multi-Sensor Home Sleep Study, Methylation & Homocysteine Panel, Vitamin D & B12 Levels.

Physician Review: 45-min Neurologist & Sleep Physician Consultation.

Ideal Candidate: Executives experiencing brain fog, disrupted sleep, burnout, or cognitive fatigue.

9. Patient Preparation Protocols (Before, During & After)

Accurate biomarkers require strict pre-test adherence. The AI Chatbot must clearly answer patient preparation questions to prevent compromised test results.

Phase	Clinical Instruction	Rationale & Patient Guidance
BEFORE: Fasting Window (T-10 to T-12 Hours)	Strict overnight fast for 8 to 10 hours prior to appointment. No food, juice, coffee, tea, or milk.	Ensures accurate baseline for fasting triglycerides, LDL subfractions, fasting blood glucose, and insulin resistance (HOMA-IR).
BEFORE: Hydration (T-Morning of Exam)	**Drink 2 to 3 glasses of plain water freely.**	**Water is strongly encouraged.** Dehydration collapses peripheral veins, making blood collection difficult and falsely elevating hematocrit and urea levels.
BEFORE: Medications (Morning of Exam)	• Routine Blood Pressure meds: Take with small sips of water. • Diabetes medication / insulin: OMIT morning dose until after blood draw. • Bring regular pill boxes to clinic.	Prevents dangerous hypoglycemic episodes while fasting. Normal blood pressure must be maintained for cardiovascular stress testing.
BEFORE: Attire & Shoes (Day of Exam)	Wear comfortable loose two-piece clothing and sports walking shoes. Avoid body lotions or jewelry.	Loose clothing facilitates ultrasound probe access. Running shoes are required for treadmill ECG. Lotions interfere with ECG electrode adhesion.
DURING: Arrival (T-10 Minutes)	Present NRIC / Passport and SingPass digital pass at concierge. Relax in private acoustic bio-lounge.	Paperless biometric check-in with zero waiting queue. Herbal infusions and calming acoustic therapy normalize resting heart rate.
DURING: Testing (In Sanctuary Suite)	Micro-blood collection, 3D ultrasound, and resting ECG performed in private temperature-regulated suites.	Dignified, warm clinical environment. Clinician explains ultrasound images in real-time on high-definition wall displays.
AFTER: Telemetry Sync (Same-Day +4 Hours)	Complete encrypted PDF results delivered to Dagsis App within 4 hours, accompanied by physician audio summary.	Patients receive immediate clarity without waiting days for laboratory processing. Audio memo ensures actionable understanding.
AFTER: Longitudinal Care (Day 7 to Day 90)	Automatic onboarding to 90-day trajectory tracker. Daily telemetry cues, repeat prescription dispatch, and health coach chat.	Care beyond appointments: translating diagnostic discoveries into sustained cellular longevity.

10. Appointment Booking, Rescheduling & Teleconsultation Rules

Dagsis manages 300 active appointment slots dynamically across 14-day rolling cohorts. The AI Chatbot should guide patients through the frictionless 4-step booking flow.

The 4-Step Booking Workflow:

1. Sanctuary Selection: Patient selects preferred clinic sanctuary (e.g. Marina Bay Flagship, Novena, Guoco Tower).

2. Clinician Matching: Patient selects specialist by specialty, language fluency, or consultation fee (SGD 51–150).

3. Date & Slot Allocation: System displays available morning (08:30-11:30), afternoon (14:00-16:30), and evening (17:45-19:15) slots.

4. Digital Pass Issuance: System generates instant booking reference (e.g., VIT-892144) and digital QR pass stored in Apple Wallet / Google Wallet with automated SMS calendar sync.

Cancellation & Rescheduling Policies:

• **Zero-Penalty Rescheduling:** Patients can reschedule with 1-click up to 4 hours before their scheduled time.

• **Same-Day Urgent Teleconsultation:** Available 24/7. Medication dispatched to any Singapore address within 90 minutes via cold-chain courier.

• **Late Arrival Grace Period:** 15-minute grace period. If exceeded, patient is transitioned into the next available sanctuary suite without penalty.

11. Top 35 Patient FAQs & Standardized Chatbot Responses

These approved answers must be utilized by the AI Chatbot to handle the most frequent patient inquiries.

Q: Can I drink water while fasting for health screening?

A: Yes, absolutely. Plain water is not only permitted but strongly encouraged. Drinking 2 to 3 glasses of water on the morning of your visit ensures proper hydration, making blood collection painless and preventing falsely elevated kidney urea readings.

Q: Can I use my Singapore Medisave for health screening at Dagsis?

A: Yes. Dagsis is an approved Singapore Medisave institution. You can utilize Medisave500 / Medisave700 under the Chronic Disease Management Programme (CDMP) and approved screening scans, subject to prevailing MOH annual withdrawal limits. Our concierge team assists with direct electronic deductions.

Q: How does direct cashless insurance billing work?

A: If your policy is under one of our 30 accredited panels (such as AIA, Great Eastern, Prudential, Singlife, Bupa, or Cigna), simply present your SingPass or digital insurance pass. We verify your Letter of Guarantee (LOG) electronically, meaning you pay zero upfront except for your policy's standard co-pay.

Q: What is the difference between standard LDL and ApoB tested at Dagsis?

A: Standard cholesterol tests measure the total concentration of LDL cholesterol, which can miss up to 40% of cardiovascular risk. Apolipoprotein B (ApoB) measures the exact particle count of all atherogenic (plaque-forming) particles in your bloodstream, providing superior early detection of heart disease.

Q: What is the Epigenetic DNA Methylation test in the Platinum package?

A: The Epigenetic Biological Clock test measures chemical modifications (methylation tags) on your DNA. While your calendar age never changes, your biological cellular age can be reversed through targeted metabolic, sleep, and lifestyle optimizations. We track this metric annually.

Q: How fast will I receive my laboratory test results?

A: At Dagsis, your complete laboratory panel and digital medical report sync directly into your encrypted Dagsis mobile portal within 4 hours of your appointment, complete with personalized physician audio notes.

Q: How does teleconsultation work, and how fast is medication delivered?

A: Our virtual teleconsultations operate 24/7. Following your video consultation with an accredited physician, medications are dispatched from our central licensed dispensary and delivered to any residential or office address in Singapore within 90 minutes.

Q: Do I need to stop my daily medications before screening?

A: Blood pressure medications should be taken as usual with small sips of water. However, if you take morning oral diabetes medication or insulin, please OMIT your morning dose until AFTER your fasting blood draw to prevent hypoglycemia. Bring your pill bottles to the clinic.

Q: How do CHAS subsidies apply at Dagsis clinics?

A: Dagsis participates in the Community Health Assist Scheme (CHAS). Holders of CHAS Blue, Orange, or Green cards, as well as Pioneer and Merdeka Generation seniors, receive direct government fee subsidies for acute consultations and chronic disease management packages.

Q: What should I wear for the treadmill stress electrocardiogram?

A: Please wear comfortable two-piece athletic attire and running/walking shoes. Avoid applying body oils, moisturisers, or perfumes on your chest on the morning of the exam, as they hinder ECG electrode adhesion.

Q: Are your clinics wheelchair and elderly accessible?

A: Yes. All 20 Dagsis sanctuaries are equipped with barrier-free ramp access, wide acoustic doors, wheelchair-accessible restrooms, and dedicated elderly drop-off bays connected directly to MRT stations and carpark lifts.

Q: Can I request a female doctor for my gynaecological screening?

A: Yes. When selecting your appointment, you can filter for our female consultant gynaecologists (such as Dr. Mei-Ling Tan, Dr. Sarah Lim, Dr. Valerie Neo, or Dr. Evelyn Zhang) for full privacy and peace of mind in our private women's pavilion.

Q: Can I reschedule my appointment if something urgent comes up?

A: Yes. Appointments can be rescheduled online or through this chat interface up to 4 hours prior to your scheduled time without any cancellation fees.

Q: Does Dagsis perform pre-employment and aviation medical examinations?

A: Yes. Our Jurong East Gateway (CL008) and Changi City Aviation Hub (CL020) offer full MOM pre-employment screenings, CAAS aviation flight medicals, and corporate executive clearances with same-day digital certification.

12. Production System Prompt & Intent Routing Matrix

The following production system prompt MUST be loaded into the LLM system prompt header for the Dagsis Chatbot. It enforces safety, tone, data fidelity, and intent categorization.

```
You are the Dagsis Clinic and Healthcare Dummy Concierge AI, an empathetic, dignified, and highly competent virtual medical concierge representing Dagsis Clinic and Healthcare Dummy (Singapore Medical Network).

CORE IDENTITY & PURPOSE:
- You represent a premium healthcare platform with 20 clinic sanctuaries across Singapore, 80 accredited physicians, and 100 clinical services.
- Your goal is to guide patients smoothly, explain preparation instructions, clarify transparent pricing in SGD, assist with clinic and doctor discovery, and coordinate seamless booking.

STRICT MEDICAL & SAFETY GUARDRAILS:
1. EMERGENCY TRIAGE: If the user mentions crushing chest pain, radiating arm pain, severe shortness of breath, signs of stroke (facial droop, arm weakness, slurred speech), sudden heavy bleeding, or severe trauma: IMMEDIATELY respond: "This may be an acute medical emergency. Please call 995 immediately for an emergency ambulance or proceed to the nearest Hospital A&E.; Do not wait for a clinic appointment."
2. NO DEFINITIVE DIAGNOSES: Never issue absolute clinical diagnoses. Phrase suggestions as: "Based on your symptoms, our clinicians in [Specialty] would typically evaluate this through [Diagnostic Scan]. I recommend scheduling a consultation with Dr. [Name]."
3. ACCURATE PRICING: Always quote fees from the approved schedule (base consults SGD 51-150, packages SGD 280-1480). All prices are in Singapore Dollars (SGD Nett).
4. PREPARATION PROTOCOLS: Fasting requires 8-10 hours without food. Plain water is strictly permitted and encouraged.
5. SINGAPORE CONTEXT: Reference local MRT stations, SingPass verification, CHAS Blue/Orange/Green subsidies, and Medisave deduction rules accurately.

CONVERSATIONAL TONE:
Calm, human, reassuring, uncluttered, and precise. Avoid corporate filler or overly technical medical jargon without explanation.
```

Intent Routing Schema:

- BOOK_APPOINTMENT: Prompt for preferred sanctuary, physician, date, and morning/afternoon slot.
- FIND_DOCTOR: Match query by specialty, language, fee tier, or clinic proximity.
- EXPLORE_PACKAGES: Compare Genesis ($280), Apex Executive ($680), Platinum Longevity ($1480).
- INSURANCE_INQUIRY: Check against 30 panel list; explain cashless claim and co-pay.
- PREPARATION_GUIDE: Emphasize 8h fasting and explain that drinking pure water is encouraged.
- TELECONSULT_REQUEST: Initiate 24/7 video queue; confirm 90-min islandwide medication courier.
